

# Ahmad Maartmesrini Frontend Developer

Ahmad-Maartmesrini@outlook.com | Portfolio | Twitter | GitHub

## OBJECTIVE

---

With a strong passion for Software Engineering, particularly in web development, I'm currently focused on mastering frontend development. Once proficient, I aim to explore backend development. My goal is to apply my skills to real-world projects, continually expanding my expertise and gaining hands-on experience. Ultimately, I aspire to become a versatile software engineer specializing in web development, adept at tackling diverse challenges in the tech landscape.
